

Island to island in Europe.

A Comenius bilateral
partnership between the
two European islands

Ö 1 ü 1 E i i

Presentation

- Öckerö

Öckerö Municipality consists of ten islands : Öckerö, Hönö, Hälsö, Rörö, Fotö, Hyppeln,

- Lipari

The Aeolian Islands is a group of seven islands called:

Vulcano, Lipari,

St

San

Fi

Project Planning

Autumn 2012

- Preparatory visit in Lipari by Swedish teacher
- Pupils start learning Italian/Swedish
- Pupils and teachers start e-Twinning
- Pupils decide what they would like to learn about each other's country

Friends

Project Planning

Spring 2013

- This semester the pupils work with the different topics also teaching each other in order for everybody to learn about the culture and nature of both islands.
- Lipari pupils prepare to receive Öckerö guests.
- Öckerö pupils prepare for their journey.

Preparations

Project Planning

Autumn 2013

- Öckerö makes a ten day trip to Lipari.
- Pupils keep working on their project assignments throughout this semester.
- Presentation of the work so far and the journey. The pupils write articles and make Power Point presentations to show their families and the public.

Welcome to Ankaret Röd

Project Planning

Spring 2014

- Lipari makes a ten day visit to Öckerö.
- Presentation of the work so far and the journey. The pupils write articles and make Power Point presentations to show their families and the public.

Benvenuti alla scuola St.Lucia

Project Planning

Autumn 2014 and Spring 2015

- Every pupil writes an essay based on his/her notes and experiences of the project.
- Teachers together with pupils write articles and make public presentations (lectures, local radio, TV) about the project.
- We look for ways to continue and develop the collaboration between the islands, involving schools, local companies and the Municipality itself

Marina Corta, Lipari

- It is a day in March. Lunch hour. Everybody has gone home to eat and get some rest.

- Hönö Röd, Öckerö
- In Swedish you say that the water is ”spegelblankt”, like a mirror.
